

Martha & Mary Luncheon Ministry

At Holy Cross this is a ministry of caring for God's people by offering families the possibility of a gathering for a meal after the funeral of a loved one.

As in all our ministries, this can only be accomplished through the generous commitment of volunteers. There are many ways in which you can participate, from providing a dish, to picking up food trays at a local store, to coming early to set-up, or coming later to clean up. With many volunteers it is not an overwhelming time commitment for any one person. Please consider offering your time through this rewarding ministry.

In order to continue this ministry of caring for God's people here at Holy Cross, we need to ask for help and there are many ways that one can be involved: Pick up food trays from a local store; Set up; Serve; Clean up; and/or Send in a dish of food.

We need many volunteers so that it may not be an overwhelming time commitment for any one person. If you have helped out in the past, if you are able to continue helping in this ministry, or **if you would like to start helping, please call the office at 663-2244.**
