

### **Stations of the Cross**

Beautiful Stations of the Cross, sculpted by the Jos Sibbel Studio in the 1920's, line the walls of our church. We also have a lovely booklet prepared by two parishioners, Maureen Staves and Ellen Metherell, that include images of our stations with prayers for each one. Stop by the parish office to borrow one to aid in your reflection time.

During the Lenten Season, participation in the Stations of the Cross are lead every Friday at 8:00 AM following the 7:30 AM morning Mass in Church.

Individual grades from our school also lead the Stations of the Cross every Friday at 1:00 PM in Church.

All are welcome to either of these opportunities and/or to visit the church and meditate silently on your own as you walk with Jesus on his way to his death Calvary.
