

Donna Jacobi

TWEEN/TEEN YOUTH MINISTER . SACRAMENTS FOR CHILDREN . FAITH FORMATION ASSISTANT

I am a lifelong member of Holy Cross Parish. Married here and raised my family here. Volunteered for many years with sacrament preparation and faith formation. Hired as Faith Formation Administrative Assistant 27 years ago and 5 years later also became Facilitator for Youth Ministry. After completing diocesan training and classes at St Bernard's, received my certification in Faith Formation and Youth Ministry from the Diocese of Rochester.

I am so blessed in my ministries to help families as they bring their children closer to Jesus with formation in classes and also with opportunities out of the classroom to share their talents and give their time to others, as Jesus taught us. Each event builds on what the family is teaching and modeling at home for their children.

Throughout the year we provide many opportunities with a variety of interests to encourage all our children and families to join with our parish as we all grow closer to Jesus and live our lives in His service.
